SLEEPOUT UNDER THE STARS

RETURN TO THE WILD

For the ultimate safari experience, return to the wild with our signature Sleepout Under the Stars. This is an adventurous addition to any safari, allowing you to reconnect with nature and each other in a simple, meaningful way. Just like the early explorers, you fall asleep under a canopy of a million twinkling stars, listening to the susurrations of the nighttime bush. A cosy bedroll, bush loo and shower, and culinary team ensure that this experience is as comfortable as it is memorable.

On the night of your sleepout, your room is held back in camp in case you change your mind and wish to return.

HOW IT WORKS
