SLEEPOUT UNDER THE STARS

RETURN TO THE WILD

For the ultimate safari experience, return to the wild with our signature Sleepout Under the Stars. This is an adventurous addition to any safari, allowing you to reconnect with nature and each other in a simple, meaningful way. Just like the early explorers, you fall asleep under a canopy of a million twinkling stars, listening to the susurrations of the nighttime bush. A cosy bedroll, bush loo and culinary team ensure that this experience is as comfortable as it is memorable.

We prefer arranging your sleepout at the end of a walking safari, so that you arrive on foot into the sleepout camp. On the night of your sleepout, your room is held back in camp in case you change your mind and wish to return.

HOW IT WORKS

- Depart from your Time + Tide camp after afternoon tea
- Afternoon safari activity, preferably a walking safari
- Arrive into the sleepout camp for sundowners, dinner and stargazing around the campfire
- Spend the night in the comfy tents, falling asleep beneath the stars
- Wake with the sunrise, enjoy coffee and breakfast around the campfire
- Depart from the sleepout camp for your morning safari activity
- Return to your Time + Tide camp after your morning activity

SETTING

Sited in a beautiful dry riverbed in the heart of the South Luangwa, our Sleepout Experience offers 360° views of the surrounding bush and its wildlife. With total exclusivity, you will feel like the only people on Earth as you watch the last golden light fade across the land and a million stars twinkle to life in the skies.
